

# #SafeAir4All

## Steps to follow when taking a photo of the reading on your CO2 monitor

### Get your CO2 monitor ready

1. Take your portable CO2 meter with you when visiting a healthcare setting.
2. Turn on your portable CO2 meter and place it ideally at head height, around 50 cm away from occupants, windows or doors.
3. Wait 10 minutes.

### Take a photo

- Take a photo of the reading on your CO2 meter
- Make sure not to include pictures of people's faces.

### Post your photo on social media

- Post your photo on social media using the hashtag **#SafeAir4All**.
- Upload your photo to the SHH-UK Padlet Board.
